Prelude *Light Dawns on a Weary World*

Meditation Prayer

How hard we make things, O God, how heavy the yoke we place on ourselves through our insecurity and pride, through our fear and unbelief, through our denial and stagnation; How threatening our world becomes when we make life and joy depend on our own ability. But, you have invited us to a different life, a deeper joy, you have offered us a lighter yoke if we will just stop for a moment and follow you.
